

15th September 2017

Dear Parent/Carer,

Your child's online safety education this term - this term your child's class will be studying a unit of work based on *Play Like Share*, an animated series about online safety produced by Thinkuknow.

Thinkuknow is an award-winning education programme from the National Crime Agency's child protection command, CEOP. It aims to keep children safe from abuse, both online and off. If you ever need to report anything to CEOP you can follow this link. <https://www.ceop.police.uk/safety-centre/>

This is the sign to look for on the internet. It is often included on social media websites.

Thinkuknow education resources are age-appropriate, non-scaremongering, and give children the skills, knowledge and confidence they need to stay safe online. They are used by over three and a half million children across the UK each year.

About *Play Like Share*

Play Like Share follows the adventures of Alfie, Ellie and Sam as they form a band and enter their school's Battle of the Bands contest, taking on the mean but 'cool' Popcorn Wizards as they go. The three friends learn that while the internet can help, they need to use it wisely and safely.

The aim of the films is to help 8-11 year olds learn how to stay safe online. In particular, the films and activities teach them to spot the early signs of manipulative, pressurising and threatening behaviour by people they might meet online, and develops their confidence to respond safely and get help.

How you can get involved

You can watch a short trailer and all three brief episodes of *Play Like Share* at:- www.thinkuknow.co.uk/parents/playlikeshare.

It is a great idea for you to watch each episode with your child after they have viewed it in class (to avoid spoiling any surprises!) and to have conversations with them about the subjects covered. To help you do so, I attach the ***Play Like Share* Parents and Carers Helpsheet**, with:

- Ideas for starting conversations about online safety with your child
- Links to more advice and support on how to keep your child safe online
- Information about how to get help if you are worried about your child

You will also find plenty of advice and support about keeping your child safe online at the Thinkuknow **Parents and Carers Website**: www.thinkuknow.co.uk/parents. Both this letter and the Helpsheet are on the school website so that you can follow the links more easily. Go to the News section and look in newsletters.

Please do not hesitate to get in touch if you would like further information or if you have any concerns about your child and online safety.

Kind regards,

Beth Hunter
Computing Subject Leader
