

THE CARLTON JUNIOR ACADEMY

23rd January 2018

Dear Parents/Carers,

As many of you may be aware, we have a child in school who has diabetes. He is very keen to raise awareness of Diabetes and also to raise money for Diabetes U.K.

In order to achieve this, we are having a Diabetes Day in school on Thursday 1st February. The children can take part by wearing something blue on the day, as Diabetes U.K. use blue to promote their charity. We ask that the children, if they want to wear blue, bring in a small contribution to help raise money - all donations will be donated to the charity.

There will be an assembly delivered by a representative of the Diabetes U.K. charity. This will enable the children to understand about the different types of diabetes, what it is like to live with diabetes and to realise that children with Type 1 diabetes can do everything that children without diabetes can do!

During the day the children will have a circle time in their classrooms to discuss what they have learnt in the assembly and ask any questions that they might have.

The day will be really informative for us all as well as a great way to raise money for a worthy cause.

Yours sincerely,

Mrs S Wood
Head of School

Mrs Beth Hunter
Assistant Headteacher
