

THE CARLTON JUNIOR ACADEMY

24/11/20

Dear Parents/Carers,

We have all been impressed and moved by the work of Marcus Rashford over the past few months and are pleased that vouchers are being given to some of our more vulnerable children over the Christmas period.

In the spirit of Christmas and caring for each another, The Redhill Trust Primary Academies have decided to try and extend this beyond essential items. We want to make Christmas special for all our families.

We would therefore like to ask for donations of Christmassy items. These will be distributed to families we know may need extra support and to recognised local foodbanks.

These items could be

- mince pies
- chocolates
- chocolate tree decorations
- Christmas cake
- unopened gift sets eg toiletries
- Christmas books
- baubles/stars/tinsel etc
- wrapping paper/tags/tape
- cans of cola etc
- new toys
- new games
- anything else you think would be appreciated!

If your own family is in need of some support with Christmas treats please speak to any of the adults in school. Sadly, we know that many people are struggling this year due to Coronavirus and, whether this is due to wellbeing or finances, we want to do all we can for our community to have a good Christmas.
