

Behaviour Policy 2020 Covid-19 Addendum

- Children are no longer sent to buddy class. They are sent to work in their class' designated break out area for half an hour. This can be a time out area inside the class.
- When receiving rewards, teachers not to place sticker on child. Children must do this themselves.
- During emergency procedures (such as a violent outburst) a child must no longer be sent to inform a member of the SLT. An adult must be sent.
- Children are expected to sit side-by-side in their classrooms and encouraged to face forwards.
- During break times, children will have a designated place to play. They will be expected to remain socially distant from other bubbles during play and lunch times. Children must stay in their designated area at all times.
- Children are encouraged to stay 2 metres away from adults and designated adult areas.
- Children are expected to sanitise their hands whenever asked to.
