

Logging on to Purple Mash our Virtual Classroom

Purple Mash is our Virtual Classroom. The work for your child to complete whilst at home will be uploaded to Purple Mash. This is the same work as the rest of the class are doing at school. Your child can also explore Purple Mash by themselves. There are games to play and tasks that might interest them. If you click on Serial Mash you will find a wealth of books to read.

The following is a step-by-step guide to logging on to Purple Mash and finding the work for your child to complete.

The screenshot shows the Purple Mash login page. On the left is the Purple Mash logo with the tagline 'Bring the whole curriculum to life' and a 'simple' logo. Below the logo are links for 'What is Purple Mash?' and a 'Get a 14-Day Trial' button. On the right is the login form with fields for 'Email' and 'Password', a 'Log in' button, and options for 'Office 365 Login' and 'Google Login'. There are also links for 'Forgot password?', 'Having trouble?', and 'Register Pa'. Below the login form is a purple button labeled 'Find my school's login page' with a red arrow pointing to it. A blue callout box contains the text: 'In Google, type Purple Mash. Click here and then enter the Academy's post code. NG4 1QT'. At the bottom, there is a footer with 'Integration partners' logos (WeLearn, Life, SCHOLIX, Learning, frog, gdst, RM Education) and a cookie consent banner.

The screenshot shows the search results page on Purple Mash. The search bar contains 'NG4 1QT'. Below the search bar are dropdown menus for 'Country' (United Kingdom) and 'Local Authority' (Select local authority). A table of results is shown with columns for 'Name' and 'Postcode'. The first result is 'The Carlton Junior Academy' with the postcode 'NG4 1QT'. A blue callout box points to the search bar with the text: 'The post code goes here.' Another blue callout box points to the academy name with the text: 'Click on the Academy's name.' At the bottom, there is a footer with 'Integration partners' logos (gdst, RM Education) and a cookie consent banner.

Enter your child's username and password and log in. You can find it in their organiser. If you do not have your child's username or password, then phone school or contact your teacher on Class Dojo.

You are now in our Virtual Classroom where you will find the work set for your child.

To find the work set by the teacher, click on Work.

The Alerts tab will show you if the teacher has set you a 2Do task.
