In 2020-21, the school received two instalments of sport funding. One instalment of £7,558 (April – August 2020) and the second instalment of £10,582 (September 2020 - March 2021). In total, the school received £18,140 to consolidate and improve the quality and breadth of its PE and sporting provision, including participation in PE and sport so that, ultimately, all pupils are physically active for sustained periods of time, are well informed about health and fitness and go on to lead healthy, active lives.

The following intentions of spending are taking into account the money carried over from 2020-2021 which has provided the school with more funding than usual.

We intend to spend this funding on (estimated costs):

- Continuing to engage the least active and most vulnerable pupils through Energy Club. (£1328)
- Personalised PE CPD for staff; an emphasis on upskilling staff to enhance everyday classroom practice. (£300)
- Updating and replacing essential PE equipment. (£2000)
- Continuing the licence to access the PE assessment section on EAZMAG and to provide accurate assessment of a child's attainment in Primary sport. (£750)
- Employing a TA with a PE specialism to deliver after school sports clubs. (£1425)
- Additional swimming sessions for Year 5/6 children (separate to the standard National Curriculum requirements). (£2000)
- Hiring a sports coach to deliver INSET to teachers and TAs. (£500)
- Employing a yoga specialist to deliver yoga sessions to year 6 pupils. (£350)
- Employing a dance coach to enable children to participate and perform in the Evolution Dance Festival. (£200)
- Purchasing trophies to reward excellence in school sport. Recognition of excellence in Sports Day and other sports events in school throughout the year. (£100)
- Replacement of the hall projector (used for dance elements of the P.E. curriculum) £2,500)
- The creation of a themed Olympic day to celebrate and promote the (postponed) 2020 Olympics in Tokyo. Money will be used to provide resources for the day and enable the whole school to access the day. (£500)
- Outdoor gym equipment to encourage children to pursue personal health and fitness and also to be used in PE lessons. (£7928)
