

WHAT IS SCHOOL PLATES?

We have partnered with ProVeg UK on their School Plates Programme. This programme aims to make school food healthier and more sustainable by increasing and promoting plant-based content on school menus.

THE PROVEG SCHOOL PLATE AWARDS

The ProVeg School Plate Awards are an evidence-based tiered system that presents school caterers across the UK with Bronze, Silver and Gold awards in recognition of their commitment to healthy and sustainable school menus.

Some examples of the standards we have to meet are:

Descriptive and positive language

Blending plant proteins into dishes to help boost fibre (e.g. beans and lentils)

Introducing a plant-rich day (meat and fish free day)

We have had great success so far with 105 schools in Camden and Islington enhancing their menus with more plant-based dishes and content and achieving a **SILVER AWARD**
